

Green Course Dog Friendly

Rules of Conduct - 2020

1. Pets can access the open areas of the Club, as long as they are always kept on a leash; the open areas of the Montecchia Golf Club include: the Green Course, the Driving Range (with the nearby approach area), the restaurant terrace, the bar, the access roads, the parking lot and rest areas.
2. Access to the swimming pool and on the golf course is not allowed on competition days.
3. The immediate collection of any manure is mandatory by means of hygienic bags which must be shown at the request of the Club staff; the owner must bring water, bags for manure, and a leash.
4. The dog must be in compliance with the health regulations, "chipped" and polite, which means being able to stand alongside the owner without disturbing other players.

5. The owner is responsible for the behavior of his pet, which must be controlled and respectful of Members and Guests, as well as the tranquility of the fauna present on the game course.

6. The owner is liable for all damages caused by his pet to Club Members, Guests and third parties, as well as to any facility of the Club itself.

7. In case of obvious harassment and/or intemperance by the pet, the Club reserves the right to remove it.

8. The owner who wishes to attend the Club with his animal must, at the first access, go to the Club Front Office to collect a copy of these Regulation, and sign it for acknowledgment.

The violation of any article of these Regulation will result in the immediate and definitive removal of the animal from the Golf Club.
